THE BEPUBLICAN POLICY.

A NATION, NOT A CONFEDIRICY. A MATION, NOT A CONFED BACK.

Second—The Constitution of the United States is the supreme saw, and not a nere cultrat. Ont of the coof derated states it made a payerelyn nath a will others are resided to the states it will other are resided to the state; but the boundary b two notes powers delegated a d there reserved as to be determined by National and not by State tribunals.

POPULAR EDUCATION Third—The work of popular can atten is one left to the care of the several states but it is the daty of the National Coverament to all that work to the extent of its constructions ability. I he intelligence of the nation is but the aggregate of the intelligence of the first in the feet in the detriny of the nation must be quicked, not by the genus of all.

200 property covery utional ampropriate.

PROPOSED COMPTI UTIONAL AMENDMENT. PRIFORM COMMITTIONAL ARMONANT.
Fourth—The Constitution wheely forbide Congress to make any law respecting—an establish on nt of religion but it is die to hope that the ination can be presented against the influence of sect rism; m, wh in each biate is exposed to its particular dominations. We then fore recommend that the Constitution be so am inded as to any some prohibitions upon the legislature of sech State, and to forbid the appropriation of the public funds to the amport of sectarian schools.

Duties of the Day. DUTIES OF THE DAY.

PUTIES OF THE DAY.

Fight—We residing the belief avowed in 1876, that the daties eved for the purpose of revenues should so discriminate as to favor American labor. That no further grant of the public domain should be made to any rails ad en other orporation. That alavery having perished in the Hales, its twin barbarity, polynamy, must die in the Territories. That swerywhere the projection accorded to a clizen of American tirth must be seemed to a clizen of American tirth must be seemed to a clizen of American tirth must be seemed to a clizen of American deputed. That this is equity of Congress to develop and improve our wiscropress and hebors but we insist that writer subsidies in private persons or corporations must cease. That the obtigation to the men who preserved its integrity in the day of battle are undit iniabled by the impect of littern years since their final victory. Their perpetual honor is and shall frever be the grateful privilege and the sacred duty of the ZHE ORIMESE PLANK.

THE CHINESE PLANE THE OHINESE PLANT

Sigh - Since the authority to regulate immigration and intercourse between the United state and foreign nations rests with the Congress of the United States and is treaty-masking p wers, that the constitute party, reparting the unrest icted immigration of a binese as an evil of great magnitude invok a the exercise of the power-to-restrain and I mit that immigration by the ensettment of such just, humans and reasonable provisions as will produce that result.

SOMMENDATION OF HATES. GOMENDATION OF HAYES.

Scenish - I hat the purity and patriotism which chara terizes the ea lier career of Rutt erford is stayed in peace and war and which guided the thought of his immediate predecesor to him for a Presidential candidate, have a natural to impire him to his care erms hief Executive, and the history with such or to his administration the honors which are due to an efficient, just and owners one fulfillment of the public business, and will honor his interposition between the people and priposed partials have ABBAIGNMENT OF THE DEMOCRACY

A ratification meeting of the Republic can nominee was called to-day by the officers of the Blaine Club. At the officers of the Blaine Club. At the characteristic dissatisfaction manifested that the call for a ratification should have come from such a source, As the club represented a majority of the Republican voters, the Club was formed Judge Hawley, of the Supreme Bench, was nominated as the President of the new organization. The Chairman of the Blaine Club insisted on holding his post and ruled all motions out of order The meeting finally closed with speeches, cheers and music for three glains of the leadership. Bodge, June 8.

The Republicans here are widely entitle that of the fact that a defunct organization insisted on taking the leadership. Bodge, June 8.

The Republicans here are widely entitle that a defunct organization insisted on taking the leadership. Bodge, June 8.

The Republicans here are widely entitle and many to be at a fard man to beat. A ratification meeting is being ble to the principles and switch to be dangerous to the principle sand sought the favor of the believe and process of the Republican provides a process of the Republican to propriation bills, here are widely entitled to the principles and sought the favor of rebellion against the mation, and have officed a large that the favor of the principles and sought the favor of rebellion against the mation, and have the favor of the bellion against the mation, and have the favor of the bellion against the mation of individuals and the best of the principles and sought the favor of rebellion against the principles and sought the favor of rebellion against the principles and sought the favor of rebellion against the principles and sought the favor of rebellion against the principles and only the propose of the Republican to the previous propose of the principles and sought the favor of rebellion against the principles and the

Tilden, Bayard, Field, Seymour and Thurman all have friends among the Kentucky delegates. It is said that most of them favor Bayard.

In the Sierra Nevada heat hinders work, or rather increases expense, making it necessary to run double shifts. the men being able to work but an hour on and an hour off. This will be rem-edied as soon as connections can be made, and probably before, for Superintendent James is putting up at the winze a big Baker blower, with suction pipes extending up the main shaft, and it is expected that this will relieve the mine of much of its heat. The fresh air will be conducted to both the 2300 and 2400 levels.—[Enterprise.

We understand that several thousand cords of wood have been cut off Government lands in this section, and that an It costs less money and trouble by far to buy timber land than to cut the wood from land that does not belong to you --- Aurora Herald.

Tombetone has 3,500 inhabitants.

"Speaking of rain-makers among our people and the Creeks," says the Cher-PLATFORM.

The fellowing is the platform of the the tribes. Many years ago we were for the things of the tribes. Many years ago we were for the purpose of making it rain. We halted to see what next. Two elderly men retired a short distance, and then appeared to be mumbling prayers, we presume conjuring is the name of R. but after some time a fire was made on the bank, when these two conjucers gave an order and a young man plunged into the river; the river was very deep, and when he came up he had a blue cat-

the fire. There was profound stillness.

that night."

CRICAGO CONVENTION VS. SUPERIOR COURT.—When a case was being tried Monday in the Superior Court some First—We askim that the work of the last twenty one years has been an hear in consensuation to the force of the nation, and that the runts of the casty via orise which we have achieved through imageness difficulties should be preserved. That the discovered Platon, nor the chrished That the discovered Platon, nor that the stiernies is carea to this generation about the it assentived undiminished to fin use generations. That the order established and the credits a quired should be very lessed, and the credits a quired should never be imperied. That the order established and the credits quired should never be imperied. That the first papears of every doller thereof. That the reviving industries should be further promoted, and that the cammerce already so great should be steadily encouraged.

A MATION, NOT A CONFED. RACK. the occupants of the Court-room, and the reader of the press disputches took a hasty seat, and not having any particular point to laugh at himself, inquired of the counsel in the case, "Well, what is the question, anyhow?"

> A Georgia man in California was boasting of the size of Southern productions. Pointing to a barrel, he said,
> "We raise larger watermelous than
> those." "Watermelous!" exclaimed the Californian, "why those are only huck-

That was an economical sort of a man who, having bought the wrong kind of pills for his wife, took them hunself, so that they should not be wasted.

It is now asserted by a dentist that the only true way to clean testh is to bite 101to a raw potato three or four times a day.

Col. Wright of Connecticut has just made a clean \$750,000 by selling a mine in Arizona. Many a man would rather be Wright than be President.

A St. Louis man drew up a will that was so pathetically worded that it moved all his relatives to teurs. It left all his property to an orphun asylum.

Solid for Blaine. A Chicago Tribune reporter, in his

task of apolying the reportorial pump to the members of the various delegathe following result:

House. A Tribune reporter met three of the six Saturday, and asked them how they stood.
"Solid for Blaine," replied Mr.

"Who is your second choice?"

matter when satisfied we can't get Bianne."

Yes, and we are going to push him. If we can't get him, we want to know

"I endorse what Mr. Strother said." remarked Gen. Edwards. "We cannot corry the Coast without Blaine. If Grant is nominated it means the descruction of the party on the Coast, an 1 great extent."

"That is true," spoke Dr Meiggs, who isn't much of a talker.

### Gunnison Conntry.

quick fortunes there than anywhere on the Pacific Coast. It is filling up with emigrants from all portions of the counmy, and bids fair to create the biggest circumstances. Nor does the presence Rud of a mining excitement this Summer. The mining camps extend from the fearful ones. Eternal vigilance and six to 150 miles west of Gunnison City, and in all of them very rich ore has suggested. ben found.

### Going East.

It is possible that Rev. C McKelvey and family will leave for the East next Thursday, An excursion from Los Auseles, under the direction of Col. Day, passes through here at that time and Mr. McK. has written to secure tickets for it. Should he fail, they will leave on the following Monday, going first to Toledo, Ohio, where his invalid mother muides, and then to Canada to visit other relatives, expecting to return in about two months.

Mics Effic Loomis expects to leave shortly to visit friends in Colorado.

### In.Our Favor.

It is said that it is owing to the New Constitution that Rena is getting the benefit of the freight to the Plumus Eareka mine, Greenville and other new places north. Special rates cannot be given in California, but can be green from California to points in Nevada. Thus in order to maintain local rates within the State, and yet at the same time secure freight which otherwise might be sent by water and teams the smilroad makes a special rate to Rono have to go to Goeggel, west side of Virfor that northern freight,

A railroad north from Reno opens up a section of country nch in agricultural, mining and timber resources; will make homes and work for thousands of persons. Reno will have the benefit of most of the trade; here will be the machine shops and headquarters. The town will gain a woolen mail, and the waters of the Truckee will be utilized for other manufacturing purposes. Added to our other natural advantages busting.

### "Grabbing" Fish.

The JOUENAL has the authority of W. H, Getchell for the statement that he himself the other day saw a man named Sherman and several Indians 'graboing' at Camp 20, and that 200 pounds were taken from the river in a short time. Something should be done by the Cali-

THE JOHES AND MEMBERD MINE,-We learn that about forty fons per day of free milling over being taken from the 300 level of this mine. This ove is being piled up for reduction as soon as the mill is ready to go into operation.

60 00 On this 400 lovel they are drifting south.

70 00 The drift is out 131 feet and it is experted that the lead will be out in about a

15 00 week. This ore on the 400 level contains a great deal of copper. A quantity of it has been sent to Denver for reduction as an experiment. The Jones and Kinkead is at present the leading mine of the Pyramid Lake mining comp and, should it be found that the over it produces can be profitably worked, re-newed activity will be seen in all that region, there being quite a number of veins on which more of less work has been done in the way of running tank

### To the Public.

nels and sinking shefts.-Enterprise.

Rano, Nev., April 10, 1880. We shall discontinue our banking and brokerage business on or about July 1, 1860. All persons indebted to us must settle their accounts in full before that date.

A National Bank Incorporation will succeed us (and occupy our present quarters or place of business.) All deposits in our hands at that date will be transferred to said incorporation.

иđ D. A BENDER Co. TREASURY DEPARTMENT, OPPICE OF COMPTROLLED OF CURRENCY

Washington, May 26, 1880. Whereas, by satisfactory evidence being presented to the Undersigned, it has been made to appear that "The First National Bank of Reno," in the town of Reno, in the county of Washoe and State of Nevada, has complied with all the provisions of the Revised Statutes of the United States, required to be complied with before an association

shall be authorized to commence the

business of banking. Now, Therefore I, John Jay Kuox, Comptroller of the Currency, do hereby certify that "The First National Bank we shall grow until we are in danger of of Reno," in the town of Reno, in the County of Washoe and State of Nevada, is authorized to commence the business of banking, as provided in Section Fiftyone hundred and sixty-nine of the Revised Statutes of the United States.

In testimony whereof witness my band and Seal of SEAL. office, this 26th day of May, 1880. J.vo. JAY KNOX, Comptroller of the Currency. je3-60d [No. 2,478.]

WM. HALL'S

BALSAM Cares Colds, Pneumonia, Bronchitis, Asthms. Group, Whooping Cough, and all diress a of the

Breathing Organs, It soothen and heals the m mbranes of the Lunge, inflamed and pole ned by the disease, and prevents the nightsweats and tightness across the chest which accompany it OUN DMPTH). is not an incurable malady. It is only necessary to have the right remedy, and HALL'S BAI SAM is that remedy. LON'T DES-PAIR OF RELIEF, for this benign specific will cure you, even though ; rofessional aid falls.

Dr. M. H. Hinsdale.

Kewanee, Ill., advises us of a r markable cure of Consumption. He says:

"A neighbor" wife was attacked with violent lung dis see, and pron une do by and belp from tusick Consus pion. As a last resort the family was persuad d to try HALL's BALLAM. To the astonishment of all by the time she had used one half dozen bottles she was about the bouse doing her own work. I saw her at her worst stage, and had no dea she could recover.
